The kitchen will get new counters, cabinets, paint, one new large sink, and vinyl plank flooring! The leaking window in the pastor's office will be replaced and the pastor's bathroom will get new flooring.

CLAIR CONNECTION

We are going to have a great 2025. We have a lot planned for the new year already. Our biggest project is moving into phase two of our remodel project. The contractor will be starting the project on February 3rd. We need to get everything cleared out of the kitchen area. If you can help with that project, please contact Barb or Sherry. After the remodel, we will have an open house which will be open to the entire community.

New members and confirmation classes start in February. If you would like to become a member, please talk to Rev. Crystal as soon as possible. Both classes start in February, with class times forthcoming.

We had our sledding party last Sunday for the youth group. It was wonderful even on a very cold day. EC Youth will have a paint party/lock-in at the church on Friday, January 24th at 7 pm to Saturday January 25th at 8 am. Please bring sleeping bags/pillows, hygiene products, snacks to share, board games, and any painting supplies. We will be painting and decorating the youth room. This will encourage the youth to make the room their own.

We continue to strive to reach out to our community and friends. We have a lot going on at the church. What an exciting time to be at Clair United Methodist Church!!!

Blessing, **Rev. Crystal Karr**
