Christmas at Clair Church 2023

CLAIR CONNECTION

Pastor Cindy Buhman

What a good Advent season we had! And how special it was to celebrate Christmas Eve with you and your families! Joe and I are so blessed to be your pastoral family. We look forward to beginning the New Year with you and to seeing what God has in store for us in the months ahead. I am very excited about the completion of our lighting project. And we'll be starting on more renovations before we know it!

As 2023 comes to a close, I want to say thank you to Karen Vulgamott and Talia Guess for their three years of faithful service on our Ad Council. Be sure to give them a pat on the back and a thank you next time you see them! In January we welcome three new members to Ad Council: Duane Kimble, Tyson Klein, and Debbie Wells. Other Council members include Karen Jones, the new Chairperson; Brendon Clark, Christina Hockaday, Brendon Kinney, Rachel McCrary, and Roxyann Schreiber.

I hope you will join me for worship on New Year's Eve, Sunday, Dec. 31. We will be reminded of special events of 2023 and celebrate our work and service together during our Year in Review.

And, finally, a HUGE thank you for the generous Christmas gift Joe and I received during worship on Dec. 24! As I commented on Sunday, it is a blessing to be a pastor and especially to be YOUR pastor! Happy New Year!
