LOVE OUR CHIEFS!

CLAIR CONNECTION

Clair Church is presently engaged in substantial renovations designed to not only enhance our physical space but also to cultivate a deeper spiritual transformation within our congregation. In alignment with the ethos expressed by John Wesley, “Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can.” We are committed to embodying this principle in our community service initiatives.

Approaching Mission Sunday on March 30th, we have planned a compelling array of service activities. Our congregation will be actively involved at Bessie Ellison Elementary School, crafting tie blankets for the Noyes Home, and engaging in the cleanup of the basketball court on church grounds, among numerous other projects that require our attention and support.

We invite you to join us on March 5th at 6 PM for our Ash Wednesday service at Ebenezer. This collaborative gathering holds significant importance as it marks the commencement of the Lenten season, a period dedicated to reflection and spiritual renewal. We encourage all members to partake in this solemn observance: “Because from dust you came, and to dust you shall return.”

Additionally, our EC Youth are preparing for a mission trip to Sandy Hook, Kentucky, which will include seven youth and four adult leaders. This journey, approximately eleven hours from Saint Joseph, is scheduled for late July and will entail a week-long stay at a local school where they will undertake various construction projects aimed at assisting low-income families impacted by floods and natural disasters. This endeavor promises to be a profound educational and transformative experience for all participants, and we extend our sincere gratitude to those who have contributed to making this opportunity possible.

As we advance in our mission, we remain steadfast in our commitment to fostering connections within our community and with our neighbors. These efforts are not undertaken in vain. Rather, they serve to cultivate meaningful relationships that can create lasting impact. Together, let us persist in reaching out and extending compassion to those around us.

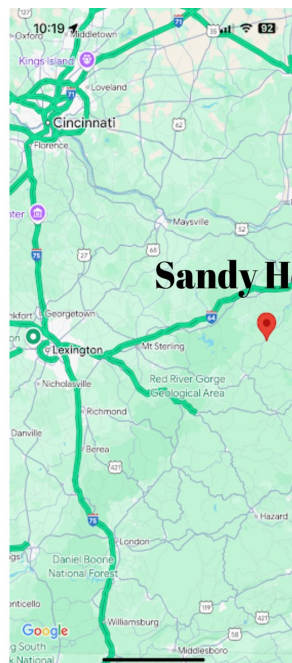

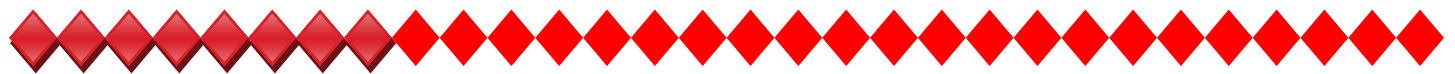

Blessings, **Rev. Crystal Karr**

PHASE III!

EXCITING CHANGES!

Sandy Hook

Where are EC Youth going for their Summer 2025 mission trip? Sandy Hook sits 75 miles east of Lexington, KY! The Carter Christian Academy will host our youth. Youth will assist families who have been affected by recent natural disasters.
