CLAIR CONNECTION

Clair church is welcoming spring in a wonderful way. We have finished phase two of our renovations of the church. I hope that all will join us for our open house April the 12th from 2 to 4pm. We will have a table for each small group of the church. Invite all friends and family to see how we have changed, transformed, and grown in such a short time.

Our EC Youth are working on their Mission Sunday activities. They will be leading the service from start to finish on March 30th. They are putting their faith into action and leading the entire church to be an active part in the community. We will be making tie blankets for the Noyes Children's Home, helping with clean up Bessie Ellison Elementary, writing cards to our local nursing home residents and homebound members of the church. We will be fixing the basketball court at the church. There is a lot to be done in one hour at church, which is why we are in need for everyone to help make this possible.

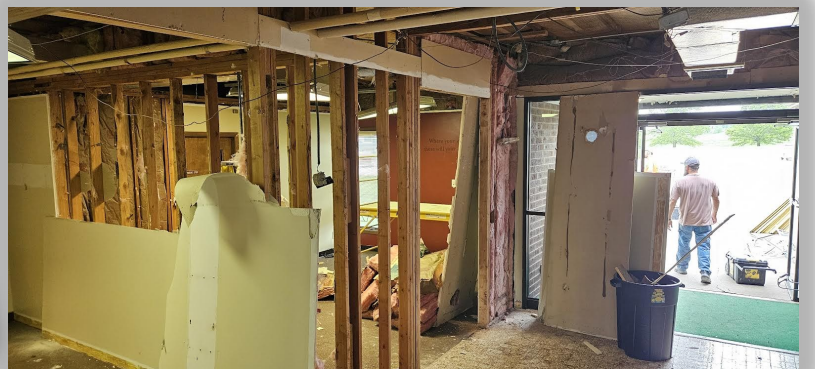

This spring and summer, our dream team has decided on three activities that we will be opening up to the entire community. We are working on growing discipleship, fundraising, and missions. To achieve these goals, we are doing a community garden, exercise class, and a garage sale. This is a chance to be open to more of the community than ever before. We have had many people sign up to be a part of at least one of the three events. If you would like to know more, please talk to me.

Holy week and Easter are approaching fast. We will be hosting Good Friday Service and Easter Sunday Service. You will not want to miss all our services this Holy season! Blessings, **Rev. Crystal Karr**
