## CLAIR CONNECTION

May is always a whirlwind month with so many special events, which for our family, also includes several birthdays and anniversaries. We have survived! And now it's time to turn the calendar page to June. Hopefully, your schedule will calm a bit, and you are able to breathe.

With a nod to Pentecost and Sunday's sermon, breathe in the Holy Spirit, God's gift to each of us, a presence which is with us always. Always... That means in the sighs of contentment and joy; and in the sighs of exasperation when nothing seems to be going the way we want it to. Always, the Holy Spirit is with us, as close as our next breath. So, breathe deeply. Feel the Spirit's presence. Lean on that presence. Lean into it.

As you are out and about during the month of June, please remember that you can worship with us online AND that you can "attend" worship at any point throughout the week. It doesn't have to be at 11 on Sunday morning. Just go to Clair's website: [www.clairchurch.com](http://www.clairchurch.com) and click on Sunday's worship service! Please remember, too, that you can give online. The church's expenses continue throughout the summer. We appreciate your continuing support!

The 2023 Missouri Annual Conference is coming up soon! Christina Hockaday and I will be in St. Charles for this year's conference June 9-11. We will participate in powerful worship and take part in the business of the annual conference. Please pray for safe travels and a great conference with United Methodist pastors and lay persons from around Missouri. The Rev. Mike White will be preaching for me on Sunday, June 11.

Blessings, Friends. Stay safe and healthy during these summer months. Breathe! It is an honor to be your pastor!
