## CLAIR CONNECTION

Summer is going so fast! Here we are at the end of July. Hard to believe! I have had fun with the Fishing Stories worship series this month. Meeting every Wednesday throughout the month worked well for us, I think. The children seemed excited to come every week, and I really appreciated being able to visit with a group of adults following our opening story and songs.

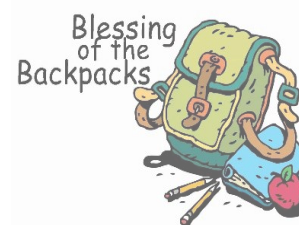

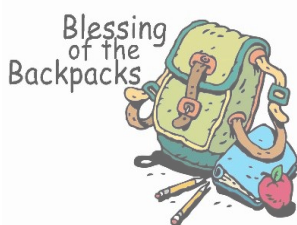

But, turning the calendar page to August brings some new opportunities for us. I will start a new series on August 20 called “Connect – Uniquely United Methodist.” “Connect” was the theme of Missouri’s 2023 Annual Conference. This worship series comes from the Annual Conference and focuses on the five emphases from our membership vows: prayers, presence, gifts, service, witness. Each Sunday we will talk about one aspect of our membership vows, considering its roots in scripture, its Wesleyan history, and the richness it can and does add to our lives as United Methodist Christians. I look forward to Wednesday evening gatherings for adults who would like to discuss each promise more deeply.

**August 20 will be Backpack Blessing Sunday!** Make sure to invite your friends for this special Sunday and the beginning of the new series to learn more about The United Methodist Church.

Blessings, Friends! It is an honor to be your pastor!

### Clair Scores Big With a Fun Night at the Mustangs Game!

On July 13th, Clair Church and friends enjoyed an outing to a St. Joe Mustangs baseball game. The weather proved to be HOT, but it didn't keep us from enjoying the game and comradery with each other. We had 44 attendees for the event which included specialty seating on the Party Deck with unlimited hot dogs! Even though we were chasing the shade, it gave us an opportunity to visit with others we may not normally talk with. This is what fellowship is about, a chance to know one another better and to share our love for Christ.

This is one of the opportunities that Roxyann Schreiber and Karen Vulgamott have planned for fellowship outside of the church environment. Having fellowship with other believers in-between church services can make a big difference in your faith walk. We will continue to plan outings for all to enjoy. If you have any outing ideas, let us know.
