CLAIR CONNECTION

Summer is coming to an end, and school will be starting soon! We will be having a Family Fun Day this Saturday, August 22, from 3:00–6:00 PM. This event is open to everyone. Come enjoy a little fun and fellowship at Clair before the summer comes to an end! The next day, Sunday, August 23, during worship, we will have Backpack Blessings. All students and staff are invited to bring their backpacks to be blessed. This is a fun and meaningful way to welcome the new school year and pray for a safe and successful year ahead.

We have had a full summer, and we continue to make improvements to our church. We have experienced some air-conditioning problems again, and we are addressing those issues this week. We also have a new camera that we will be installing this week. In addition, we are looking into new signage and working to complete some long-overdue outdoor electrical work. These are improvements that you may not always see right away, but they are important to keeping our church running smoothly and making sure our facilities are well cared for.

Charge Conference is right around the corner! Our Nominations Committee will meet tomorrow, August 18, at 6:00 PM. All Charge Conference paperwork is due in the portal by September 15. Please help us make this process possible. If you are asked to step up and serve the church on a board or committee, please give it prayerful consideration. Your willingness to serve is an important part of helping our church continue its ministry.

Thank you, Clair, for working hard to spread the message of Jesus Christ through missions, prayer, and service. Your faithfulness and willingness to serve make a difference in our church and our community. "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit."

Matthew 28:19–20. Blessings,

Rev. Crystal Karr
