CLAIR CONNECTION

NW District http://www.northwest.moumethodist.org/

Missouri United Methodist Conference http://www.moumethodist.org/

If you like every baked good known to man, don't miss the Fall Festival! And if your kids love Orrick's Petting Zoo, don't miss the Fall Festival! And if you like to shop at multiple pop up vendors, don't miss the Fall Festival! And if you like to listen to local musicians, don't miss the Fall Festival!

If you are vendor or know a vendor, don't miss the Fall Festival! Sign up to sell your wares and show off your stuff! 8 X 10 booths are available for only $35! We have multiple vendors already signed up but would love even more!

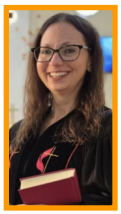
CLAIR CONNECTION



Welcome to Fall!

Welcome to fall! We are back in full swing with our church groups, ministries, and services, and there is a lot happening at Clair Church.

EC Youth

Our EC youth had their first meeting back with a pizza party. We had six youth attend, and it was a great time together! For the first month, we will be meeting at Clair. We will also be working with our youth to decide where they would like to go on their mission trip this coming year. Looking ahead, we will also have a confirmation class starting next year.

Fall Festival

Everyone, please watch for updates about our upcoming Fall Festival. We need everyone's help to make it a success! A special thank-you to Clair for giving of yourself and helping support our church. The Fall Festival is our largest fundraiser of the year, and every volunteer and donation makes a difference. Our bake sale raised the most money last year, and we truly have some of the best bakers in our church! If you are able to bake or help in any way, please consider joining us.

Honoring Our Veterans

On November 8th, during Sunday service, we will be honoring the veterans in our congregation.
If you have served our country, please send a military picture to the pastor or bring in a picture to share. We would also be honored to recognize a family member who has served. We are able to worship freely because of the men and women who have served and sacrificed for our country. We are grateful for their service and want to take this opportunity to honor them.

Church Updates

Please continue to watch for updates and improvements happening around the church. Thanks to generous donations from our congregation, we were able to install a new livestream camera that provides a better picture and improved quality for those worshiping with us online.
We are also continuing to work on several projects around the church, including:

- Electrical work outside the church
- New flooring in two of the smaller rooms
- Repairs to the church overhang

Addressing our air-conditioning issues
Thank you to everyone who has donated, volunteered, and helped make these improvements possible!

Thank You, Sunday School Teachers!

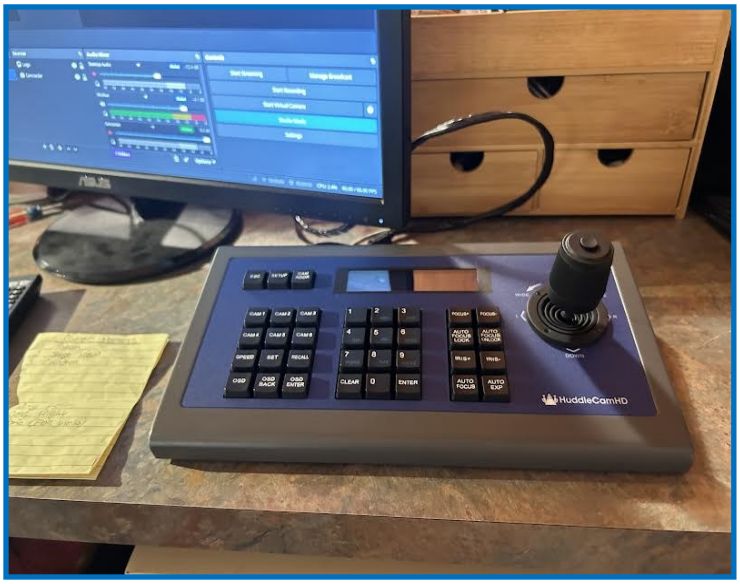
This past Sunday, we recognized our Sunday School teachers for their dedication to helping both our children and adults learn and grow in their faith. Thank you for giving your time, sharing your knowledge, and helping make Clair Church a place where everyone can grow in their faith. Your service is a blessing to our church family!
We are thankful for all the ways our congregation continues to come together, serve one another, and support the ministry of Clair Church. We look forward to a wonderful fall season together!

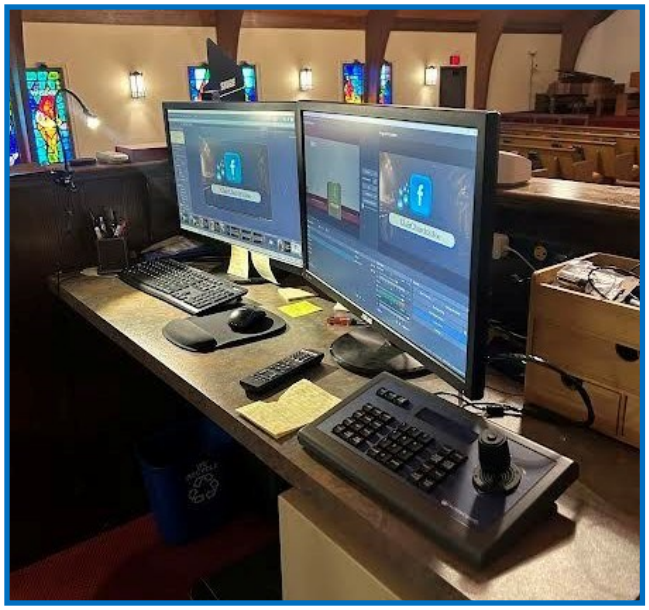
Blessings, **Rev. Crystal Karr**

CLAIR CONNECTION

New Camera Installed to Improve Streaming Service

Clair began streaming their services during the Covid shut down in 2020. A very small regular video camera was used sitting atop a little tripod in the sound booth. That camera was hard to use as it set above everyone's head and had to manually be moved to change the view. It wore out. We had some money left from an electronics grant and combined with some capital funds & donations, we were able to purchase a new camera now mounted on the back wall and controlled by a joy stick. We've gotten many comments that the livestream is greatly improved!





Clair cannot say

THANK YOU

enough to Josh Giseburt

for his work on installing our new camera. Josh attends Ebenezer UMC.
