CLAIR CONNECTION

We are off to a great start this fall at Clair! We will be having our Fall Festival on October 10th, which is our biggest fundraiser of the year. I hope everyone will plan to take part and help make this a successful event. The main thing we need is for everyone to bake and bring baked goods to the festival. Thank you for helping support our church through this important fundraiser.

EC Youth is also off to a great start with our pizza and game night! In November, we will be having a drive-in movie at Ebenezer, featuring *Home Alone*. Concessions will be available, and all donations will go toward our mission trip and church camp. The Youth have been focusing on the 12 disciples this quarter, learning who they were and why they are important.

We also have Charge Conference coming up next month on October 25th at 3:00 PM. It will be held at Ashland UMC. We need at least two people from each church to attend, not including me. More people are welcome to come, but we need a minimum of two representatives from each church. Charge Conference is when we will vote on our board for the coming year.

This year, we will have a special Veterans Day service during our Sunday service on November 8th. If you have served in the military, please send in a picture from your time of service. If you have a family member who has served and you would like to honor them, please send in a picture of them as well. We would love to recognize and honor all those who have served our country.

Our Advent Study will be taking place at Ebenezer this year. More details will be provided as they become available.

"And we know that in all things God works for the good of those who love him."
Romans 8:28

We can count on this promise and find peace in knowing that God is working in all things for our good.

Blessings, **Rev. Crystal Karr**

Join us in the Crusaders' Class as we study "Love Does" by Bob Goff. Sundays at 9:30 AM

How to live a fully engaged life, how to stop putting things off until "next time" and instead find your place of imagination, whimsy, and wonder today that God usually chooses ordinary people to get things done.

When love does, life gets interesting. Light and fun, unique and profound, the lessons drawn from Bob's life and attitude in this collection of stories just might inspire you to be secretly incredible, too.
