Starlight Group delivered Christmas bags full of goodies to Clair shut-ins and old friends prior to Christmas! The bags and the visits were greatly appreciated by the recipients. Thank you Starlight for this great mission!

Christmas blessings to you and your family! It was great to celebrate Christmas Eve and Christmas Day with you! Thank you for the generous gift for Joe and me. We certainly feel appreciated and loved.

Early reports are that the Walk to the Manger offering was very generous. Several other gifts have come in since Dec. 18, so we will have a final total soon. The Campus Cupboard program of providing weekend food for junior high and high school students will certainly be blessed as will be Clair's Building Fund. Thank you, again, for your generosity!

As we prepare to turn the calendar page into January and 2023, I look forward with you to continuing opportunities to worship together, study together, be in mission together, to make a difference in the lives of children together. 2023 will be a great year!

Merry Christmas, Friends! It is an honor to be your pastor. And remember the message from Gladys in *The Best Christmas Pageant Ever*: "Hey! Unto you a child is born!" And don't you forget it!
