Hayley Klein says “Thank You from the Bottom of my Heart!”

I have lived in this area my whole life. I have attended Clair Church ever since I was a baby and was even baptized in the church as a baby.

My parents are Tyson and Donnielle Klein. I have one sibling, a younger brother, Cobie Klein. My grandparents are Gary and Teresa Klein along with Donnie and Melinda Everett. I have many aunts, uncles, cousins, etc. on both sides of my family.

I will be a freshman this year at Central High School.

Some of my hobbies are bullet journaling, volunteering, shopping, and focusing on school. I have three dogs. I have one chocolate lab whose name is Rascal, one black lab named Chloe, and a blue fawn pit- his name is Maverick. My favorite subjects in school are writing/reading, math, and history/social studies.

My plans after high school are to go to college to become a surgeon or go off to the military to help pay for college. Regardless, college is for sure in the books for me after high school.

I have high hopes for high school and big goals to achieve. I am a big overachiever and am pretty strict on myself about grades. I want to have a high GPA and have a lot of open opportunities after high school including maybe a few good scholarships. Y'all are truly a big support to me and always bring me up and I always look forward to Sundays! Just want to say a huge thank you to y'all from the bottom of my heart for supporting me.

#1 – Joe and I so appreciated our time away this weekend for an “every 5 year reunion” of my mother’s side of our family. We seven first cousins were all together in the same place for the first time in 50 years! There were 40 of us gathered from California, Minnesota, Illinois, Washington, MO; Columbia, Boonville, Kansas City, Kearney, Gower, Maysville, and Stewartsville. It was terribly hot, but we managed to laugh a lot, eat too much, and get better acquainted with the next generations as we celebrated the birthdays of my mother, 91, and her sister, 85. Meredith Robbins and Debbie Wells did a fine job of leading worship along with Carol Matt from Ebenezer UMC sharing about the events of last month’s Missouri Annual Conference. And I appreciate Barb and Denny Elder, Beth Schreck, and Karen Vulgamott for the gifts they share EVERY Sunday! Thank you all so much!

#2 – After a gluttonous weekend, it’s time to turn to eating more carefully! During my July 17 sermon on Daniel and his commitment to eating a healthy diet, I shared my intent to follow “The Daniel Plan.” Developed by Pastor Rick Warren, two physicians, and several chefs, The Daniel Plan is inspired by Daniel, chapter 1. I invite you to check it out with me or to recommit to a plan that has worked or is working for you now. The Daniel Plan includes five components, called “Essentials:” FAITH, FOOD, FITNESS, FOCUS, FRIENDS.

You can find out more about the plan at www.danielplan.com. Let’s meet at 7 PM on Monday, Aug. 1 for an introductory session and then for five more sessions on Wednesdays, Aug. 10, 17, 24, 31, and Sept. 7 at Clair UMC. We’ll work through the 6- week study and see how we can best support each other. Spread the word. Invite friends. Let’s be inspired by Daniel through his efforts to honor God by taking care of himself.

The Daniel Plan – 7 PM – Monday, Aug. 1 – Clair UMC

Sessions 2-6, Wednesdays Aug. 10, 17, 24, 31, Sept. 7

It is an honor to be your pastor!
